SKILLS

- **Languages**: C++, JavaScript, C, PHP, Dart
- **Frameworks**: HTML and CSS, Tailwind CSS, NodeJS, React, Flutter
- **Tools/Platforms**: MySQL, MongoDB
- **Soft Skills**: Communication, Critical Thinking, Innovative Mindset, Adaptability, Compassion, Attention to Details.

PROJECTS

MindDaily – Mental Health and Mood Tracker | Link Jun' 25 – Jul' 25

- Developed a full-stack mental-health tracking application (*MindDaily*) using Flutter and REST APIs, integrating mood logging, daily affirmations, journaling, and real-time visualization features to support consistent emotional self-monitoring.
- Implemented a customizable notification engine using Flutter Local Notifications, enabling users to set personalized reminder times and ensuring reliable daily engagement through scheduled alerts.
- Engineered an interactive analytics module with chart-based mood trend insights, aggregating user data into weekly/monthly visual patterns to help users identify emotional triggers and behavioural changes.

She Sheild – Women's Safety Monitoring System | Link Apr' 25 – May' 25

- Designed a campus-safety platform (*She Shield*) using Flask and community-driven reporting workflows to enable students to anonymously submit safety concerns and access real-time updates.
- Architected core features including incident reporting, category tagging, location-based mapping, and a moderated community discussion space to improve transparency and peer support.
- Delivered a practical safety-monitoring tool that strengthened campus awareness, increased reporting participation, and provided actionable insights for students and authorities.

TRAINING

- **Lovely Professional University | Link** Jun' 25 – Jul' 25
  Mobile Application Development Using Flutter

  - Completed hands-on training in Mobile Application Development using Flutter, focusing on building cross-platform applications with clean UI, responsive design, and optimized performance.
  - Gained practical experience in Dart programming, state management (Provider/SetState), widget lifecycle, navigation flows, API integration, and local storage implementation.
  - Applied acquired skills by developing functional mini-projects and app modules, strengthening problem-solving abilities, UI/UX understanding, and full-cycle mobile development proficiency.

CERTIFICATES

- Ethical Hacking – by NPTEL | Certificate Jul' 25 – Oct' 25
- Computer Communications- Self-Paced by Coursera | Certificate Sep' 24 – Nov' 24

ACHIEVEMENTS

- Code Of Duty (Hackathon) | Link Mar' 24

EDUCATION

- **Lovely Professional University** Jalandhar, Punjab
  Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.13*** *Since Aug '23*
- **Mount Litera Zee School** Shamshabad, Agra
  Intermediate; ***Percentage: 67.4%*** *Aug' 20 – Jul' 21*
- **St. Dominic's Sr. Sec. School** Mathura Cantt, Mathura
  Matriculation; ***Percentage: 67%*** *Apr' 18 – Mar' 19*
